- Department of Water and Water Structures Engineering, Faculty of Engineering, Zagazig University, Zagazig, 44519, Egypt.

Education

- Associate of the Higher Education Academy (AHEA), UK, 2011.
- PhD in Water Engineering, College of Engineering, University of Exeter, Exeter, UK, 2011.
- MSc in Water Engineering, Department of Water and Water Structures Engineering, Faculty of Engineering, Zagazig University, Zagazig, Egypt, 2005 (Grad: Excellent).
- BSc in Civil Engineering, Department of Civil Engineering, Faculty of Engineering, Zagazig University, Zagazig, Egypt, 1988 (Grad: Very Good with honour degree).

Employment

- **June 2011 (present)** : Lecturer in the Department of Water and Water Structures Engineering, Faculty of Engineering, Zagazig University, Zagazig, Egypt.
- **January 2007-2010**: PhD researcher and Teaching Assistant, College of Engineering, University of Exeter, Exeter, UK.
- **April 2005-January 2007**: Lecturer assistant, Water and Water Structures Engineering Department, Faculty of Engineering, Zagazig University, Zagazig, Egypt.
- **March 2000- March 2005**: Teaching assistant, Water and Water Structures Engineering Department, Faculty of Engineering, Zagazig University, Zagazig, Egypt.
- **August 1998-2003**: Field work in civil engineering as a designer and supervisor to different types of civil structures at Bondok Center for Consulting Engineering, Zagazig, Egypt.

Awards

- Award of the best PhD student from Advanced Technologies Research Institutes (ATRI), College of Engineering, Mathematics and Physical Sciences, University of Exeter, 2009.

Projects involvement

- **2013-2016**: Applied Scientific Research Project (ASRP) "Integrated environmental investigations for increasing soil and groundwater salinity in El Sharkia Governorate"
- **2014-2015**: Member at EU project under TEMPUS programs with a number of Universities from Egypt and EU. The project title "GIEP) Green Innovation and Entrepreneurship Project.
- **2012-2013**: Member at EU project under TEMPUS programs with a number of Universities from Egypt and EU. The project title "EduCamp – Education for Sustainable Development beyond the Campus"
- **2011-2013**: Member at FP7 Collaborative Project. The project title is "Climate Induced Changes on the Hydrology of Mediterranean Basins "CLIMB" – Reducing Uncertainty and Quantifying Risk through an Integrated Monitoring and Modeling System".
- **2009-2011**: Member at collaborative project with two Universities of UAE (Sharjah and UAEU). The project is funded by the British Council under the Prime Ministers Initiative (PMI2) Connect Scheme. The project title "Seawater intrusion and the effects on groundwater quality considering the effects of climate change and sea level rise".
- **2004-2006**: Member at EU project under TEMPUS programs with Universities from Germany and Italy. The project title "elearning system for water and Environmental studies".
